**SUPPLY AND DELIVERY OF PAVING BLOCKS FOR QOKOLO TO KOPPITJIE ACCESS ROAD PHASE 3 CONTRACT NUMBER: SLM/SCM/35/2020/21**

Sakhisizwe Local Municipality is implementing Qokolo Koppitjie Phase 3 project within Cala. The project is a MIG project and is budgeted within 2020/21 FY. The implementation strategy is to procure material and employ local people, supervisors with technical background to closely monitor the project. Technical Department submits the specification of the material to be procured as to meet the targeted goals.

The material to be procured is as follows:-

Description	Quantities
Supply and delivery of approximately 2.7-3.2kg with 200 x 100x80mm interlocking concrete paving blocks (grey in colour)	400 000
